A message from the president...

Dear Friends of the Whitfield Education Foundation,

Since its inception in 1990, the Whitfield Education Foundation has been supporting the work of the Whitfield County School system in providing a high quality education for our students. The Foundation has contributed over \$600,000 to the schools over the past two decades in the form of innovative teaching grants to engage students in the classroom.

The work of the Foundation is contingent upon the continued generosity of our many supporters including school district staff, community members, and local businesses. Giving to the Whitfield Education Foundation allows your donation to have a direct impact on the success of students who are the future of our community.

The Foundation holds three major fundraising events to raise needed funds. The Annual WEF Golf Tournament at the Dalton Golf and Country Club, in its 22nd year, continues to be a favorite event among our supporters. Our Showcase of the Stars provides local student performers the opportunity to compete for cash prizes and trophies. The Celebrity Spelling Bee was held for the first time in 2013 and proved to be a huge success. The Foundation also accepts gifts in memory or honor of individuals as well as major donations.

It is our hope that you and your business will partner with us in making a difference in our students lives, our schools, and our communities. We value your support of the Whitfield Education Foundation and its mission: to increase student learning opportunities, reward outstanding achievement, and to honor our retiring teachers and staff.

Joseph Farmer, President
